

JULY 2021

Greetings!

What a great summer we are having!

We have had several fantastic tournaments so far! I need to brag for a minute: Brandy played her first tournament (not having played golf before) and won! Way to go Brandy!

I have placed a couple of new items on the Daily Special and Friday Dinner Calendar.

Wednesday Night Dinner is beginning to take off! Thank you so much for your support.

Don't forget the 4th of July Tournament and Hog Roast on the 3rd. We still have tickets available for purchase at the bar. There will be lots of fun activities for everyone to enjoy!

If you have any feedback, comments, or suggestions please let me know. I can not correct issues if I am not informed or made aware of them.
