Welcome to the Clinton Country Club. This information is being provided to help you enjoy all the benefits and privileges that come with your new membership. Should you have additional questions, please contact our superintendent, Rodney Hunter, or any Clinton Country Club board member directly.

Our History

The Clinton Country Club was founded over 100 year ago as a 9-hole course located at the corner of Ohio and Hwy 13 within Clinton city limits, now home to Country Club Plaza. In 1992, the members built the current facilities. The Clinton Country Club is a semi-private club that offers a regulation 18-hole championship golf course, clubhouse, golf sheds, driving range, putting green, pool and tennis courts that have been converted to pickle ball courts for your enjoyment.

You will find sign-up sheets for all club sponsored golf tournaments, parties, game nights, and entertainment events on the bulletin boards in the card room. Be sure to check the bulletin board whenever you visit the clubhouse for any additional information and notices.

Ownership Options

If you would like to become an equal share owner in the Country Club, membership certificates are available to purchase, either from the Club or on the open market. Each share has a face value of \$250.00. As a certificate owner, you will be allowed to vote on all club issues as well as run and vote for the Board of Directors. These certificates are transferable to your beneficiary and can be sold on the open market as well. Because of an increased tax liability, your annual dues will be greater as a non-certificate owner, so if you are planning on being a member for some time, the certificate purchase may save you money in the long term.

Each classification of membership requires a different number of shares to participate fully in ownership. They are as follows:

House Membership	1 share
House, Pool, Pickle Ball	2 shares
Single Golf	4 shares
Family Golf	8 shares

NOTE: You may pay golf dues plus certificate cost on a monthly basis if the certificate is purchased from the club. Payment plans are available for 1-yr., 5-yr., and 10yr. options as detailed below:

Single Golf:	Family Golf:
1 year, \$231.00 per month	1 year, \$375.00 per month
5 year, \$158.00 per month	5 year, \$228.00 per month
10 year, \$148.00 per month	10 year, \$210.00 per month

Our Superintendent, Rodney Hunter or our Membership Committee Chairman will be pleased to explain the options to you.
