

C.C.C. SENIOR GOLF LEAGUE RULES

1. The Senior Golf League is for men that are fifty (50) years or older.
2. Play ready golf on the tee box and fairways. Keep the game moving as nine holes should be played in two hours or less.
3. Play the ball up. The lie may be improved no more than six inches and no nearer the hole. In a scramble, the ball can be moved one club length, and no nearer to the hole. The lie can be moved from rough to fairway, but not on the green.
4. On holes 6, 10 and 17 if the ball is in the water, you may move to the other side of the water and hit the next ball with one stroke penalty.
5. All putts are to be putted out unless the ball is within the black tape on the flagstick.
6. All players hit the ball from their normal handicap tee when scrambling.
7. If a ball is lost (outside of a hazard or out-of-bounds), the penalty is one stroke. The ball is to be played like it was in a hazard.
8. The golfer's handicap will be per USGA. All games played will be turned in so the scores can be passed on to the USGA system.
9. The game will be played per USGA rules except as noted withing this page.

Reminders:

If a ball enters a hazard defined by red stakes, it can be played with a one stroke penalty, then:

1. Go to the point where the ball last crossed the hazard and take two club lengths relief from the line of hazard, no nearer the hole.
2. Or keeping the point where the ball entered the hazard between you and the hole, go back on that line as far as desired.
3. Or play the next shot as nearly as possible from where the last shot was played. If it was from the tee, you may return to tee and re-tee the ball.

**These rules apply only to the Senior Golf League, and have been revised by Bob Manuel
February 26, 2023.**
